The US-OMEN was founded in Los Angeles in 1961 by visionar-ies from our Southern California Activist's Community. The US-OMEN is a 501 (c)(3) non-sectarian, non-political, charitable organization registered with the State of California. All donations to the US-OMEN are tax deductible for income tax purposes.

US-OMEN provided much-needed medical and educational assistance and support since its establishment in various parts of the world.

By supporting US-OMEN you are making a difference in the lives of those in need and specially our suffering sisters and brothers throughout the World.
